Klickitat County Fire District 3 is recruiting for a Training Captain who will share their vision for the future and will invest in their progress.

Klickitat County Fire District 3 is seeking a **Fire Service Leader** to fill the Training Captain position. This is a joint position with 3 outstanding, community-based Volunteer Fire agencies, Klickitat County Fire District 3 (KCFD3), White Salmon Fire Department (WSFD), and Skamania County Fire District 3 (SCFD3). These agencies serve the Klickitat County communities of White Salmon, Snowden, Husum and BZ, and Underwood in Skamania County. While the Training Captain will represent and be responsible for training 3 agencies, the successful candidate will ultimately be an employee of Klickitat County Fire District 3.

The three Departments have a combined Volunteer force of approximately 62 progressive, motivated individuals. They operate out of 4 stations in the region. Automatic and Mutual Aid agreements are in place for the agencies. The region has a rapidly increasing fire, EMS and rescue demand for service.

These communities are tucked in the beautiful Columbia River Gorge serving an established community of residents, and many visitors and various sporting enthusiasts. The region is a four season community and destination with multiple offerings for everyone. Outdoor recreation of all kinds is just beyond your doorstep.
