Board of Commissioners  
Klickitat County FPD No. 3  
P. O. Box 151  
Husum, Washington 98623

Dear Commissioners:

Washington Surveying and Rating Bureau (WSRB) has completed its evaluation of the fire protection capabilities, as they relate to fire insurance rating, of your community. We wish to inform you that the Public Protection Classification (PPC) for Klickitat County FPD No. 3 has remained a Protection Class 8.

Protection Class 8 will apply to properties located within 5 road miles of a responding fire station and having standard hydrant distribution and water supply. Properties not meeting these requirements will receive a different protection class rating. Protection class ratings for individual properties are available by calling WSRB customer service at (206) 217-0101.

We wish to thank Fire Chief Jones and Mollie Krall for their cooperation during the evaluation.

This survey was not conducted for property loss prevention or for life safety purposes. The purpose was to gather information needed to determine a fire insurance relevant Public Protection Classification that may be used to develop fire insurance rates or loss costs. Our evaluation criteria incorporate many national recognized standards, such as those developed by NFPA and AWWA, and has been filed with and approved by the Washington State Office of Insurance Commissioner.

If you have any questions, please let us know.

Sincerely,

Kelly McGougan  
Public Protection Field Representative
